

OIE Animal Welfare event for West Eurasia countries Tashkent, Uzbekistan • 27-29 September 2017

The OIE is organising a three-day event as follows:

Day 1 • 27 September
Awareness day on the welfare
of **Working Equids**

Objectives

Raise countries' awareness on the newly adopted OIE Chapter 7.12 on the welfare of working equids and explore the needs for possible future activities in that area

Day 2 • 28 September
Second Regional Workshop on
stray dog population
management – **Rabies
aspects**, including World
Rabies Day celebrations

Objectives

Celebrate World Rabies Day (WRD) and provide technical knowledge on rabies (and other zoonoses) prevention and control, under the One Health Umbrella

Day 3 • 29 September
Second Regional Workshop on
stray dog population
management – **stray dog
aspects**

Objectives

(i) Discuss stray dog national & regional situation and measure progress since 2015 towards the agreed Vision
(ii) Identify key weaknesses/constraints /challenges and opportunities in the OIE standards implementation
(iii) Share best practices of sustainable stray dogs management in the region
(iv) Support the definition of national and regional stray dog roadmaps 2017 – 2019, that will include a rabies component
